Notes to applicants

1. Please type or write in block letters. Please delete any inapplicable words.
2. Only photo-copies of academic and other qualifications should be sent with the application.
3. Only short listed applicants will be called for an interview. At the interview applicants should produce the originals or certified copies of the requisite certificates at the interview.
4. Around 25 candidates will be selected to follow the course. The course would normally be conducted on weekends. Those selected for the course will need to obtain a release from the employer to follow the course. The course is expected to commence around the end of October 2006.
5. Please note that only a selected set will be permitted to proceed to the MSc based on the performance at the postgraduate examinations during the first year.
6. Completed application forms should be sent to the following address with **MSc/PGDiploma in Electrical Installations** written on the top left hand corner of the envelope.
Head/Department of Electrical Engineering
University of Moratuwa, Sri Lanka
Moratuwa
Sri Lanka.
7. Closing date of Applications: 11 July 2006.
